“Where Commanding Excellence Starts”

Lena Bramblett
Assistant Principal

Holly D. Elmore
Principal

Leonard Abell
Guidance Counselor

WCES Vision Statement

WCES is a community where we work diligently towards minimizing non-cognitive barriers so we can educate the whole child equitably while challenging ALL students to excel academically by:

- reading at or above grade level,
- thinking critically and reasoning mathematically to solve problems and propose solutions,
- computing at grade-level with the conceptual understanding to compute mentally at a developmentally appropriate level,
- communicating at or above grade level through multiple media formats,
- being responsible, compassionate, and competent citizens who can globally compete with other 21st century learners in their community and the digital world.

Our promise to our students and families is to:

- create a safe, respectful learning environment,
- love your child as a member of the WCES family,
- keep students at the heart of our decision-making,
- model excellent citizenship and coping skills,
- be thoughtful partners who communicate student successes and growth areas often,
- believe ALL students CAN be successful.
