### Remote Learning Student Contract

\_\_\_\_\_ is currently enrolled in the Washington County Remote Learning Program (RLP). The student and the family decided Remote Learning was the best educational placement at this time. A student's attendance is based on meaningful progress through the assigned materials. The student must also complete all required testing mandated by the Kentucky Department of Education and the Washington County Board of Education.

If the student fails to meet all the requirements set forth by this contract, the student will be required to enroll in a traditional school setting at the beginning of the next 9-week grading period.

As a student enrolled in the RLP at \_\_\_\_\_ School, I commit myself to the following guidelines:

- I understand that I must have access to a computer with a high quality internet connection.
- The internet will be appropriately used as outlined in the Washington County Schools Acceptable Use Policy; inappropriate use of the internet will not be tolerated and may result in the loss of my rights to participate in the RLP.
- Appropriate language and message content is expected at all times. Teachers may retrieve and print student work, comments, and messages at any time.
- I understand that lessons must be completed in a timely manner, as determined by my teacher(s).
- I will complete all assignments by the date determined by the instructor.

- I understand that all assessments (unit tests, quizzes, final exam, etc.) will be monitored by the teacher to the extent possible, and I agree to be ethical in my behavior regarding any assessments (not sharing answers with others, looking up answers on sites that aren't allowed, etc.).
- I understand that I will be contacted when coursework is overdue.
- I understand that I will be expected to follow any other rules specified by the teacher and/or my school.
- I understand that additional requirements are listed in the Remote Learning Commitments documents and will abide by these requirements.

Students who do not abide by the above listed rules may be removed from the Remote Learning Program. Until this contract is received, students will not be enrolled in the Washington County Remote Learning Program.
