Please join the Washington County Schools Parent University's Title I Annual Parent Meeting followed by:

Community Conversation:

"Clearing the Air: Youth and Vaping"

presented by Lincoln Trail District Health Department

Youth vaping has become a concern to parents across the nation and even here in Washington County! There is so much information around this public health issue and the information is changing every day. Jennifer Osborne will provide information on vaping and vaping products as well as provide resources to help kids who are addicted to the products.

When:

Thursday, October 24, from 6:00-7:30 p.m.

Where:

TEL Center, 502 Lincoln Park Road, Springfield, Kentucky 40069

Attendance Includes:

Refreshments, Childcare, and Door Prizes

Register at:
